Tips on Using Your Card

Paying for Gas: **When purchasing gasoline, please pay for gas inside the station.** Gas stations may place a hold up to \$125.00 on your card balance when paying at the pump, regardless of the amount you pump. This hold may take up to 7 days to release to your balance.

Authorization Holds: Certain merchants such as restaurants, hotels, gas stations, car rental agencies, cruise lines, mail order, and telecommunications companies may increase the amount of the authorization or place a "hold" for an amount larger than the purchase amount.

Fees: Refer to the online Cardholder Agreement for your card fee schedule at www.prepaidnd.com

PIN Safety:

- > Memorize your PIN; don't carry it in a wallet or write it on the card.
- > Enter your PIN so others cannot see it. Do not share your PIN with anyone.
- > If the terminal appears to be modified or suspicious, do not enter your PIN.
- > Notify Cardholder Services immediately if a PIN change took place without your request.
