

## GLEZ Newsletter including New Features September 2020

- **GLEZ New Features - Coming Tuesday, September 8th**
- **Testimonials**
- **Onboarding Stats**
- **Training/Resources**
- **VPN Required for GLEZ Access When Off Campus**

### GLEZ Features: Available Tuesday, September 8th

- **Plant Funds** - includes Capital Project Account Summary (ITD Expense Budget, Resources, Expenses and Resource Encumbrances).
- **Investment Income Resource Encumbrance** - shows what you can expect to receive on Restricted Funds during the fiscal year. It better represents what is the available balance at any point in time.
- **Year/Month View Tab on the Fund Summary page for all Fund Types** - access financial data from previous five fiscal years for non grant funds.
- **Vendor Invoice/Vendor NDID** - columns can be added to the Transaction Reports.
- **Grant Number** - added to the Grants Fund list page.

### What our GLEZ Users Have to Say!

"The new GLEZ is very user friendly."

"The new system looks wonderful and it's so intuitive. I love all of the added features to create preferred views/favorites. Congratulations to your teams, who I know have worked so hard to bring this to fruition!"

"Just a quick word to congratulate you and thank you for such an outcome. Although, really, the process of getting to the outcome is/was just as impressive as the beautiful tool you are launching today. I truly appreciate your team's ability to listen, respond, integrate, propose, innovate...push us to think 'better.'"

"Please convey my gratitude to the whole team, and my thanks for having been included as a champion."

"Thank you for the training today --- it was so helpful and the possibilities of this new system are actually exciting!"
