

Form 8233 Attachment
Nonresident Alien Student Employees
Egypt

Note: If you are a nonresident alien student from the country listed above, and would like to claim treaty benefits, please complete this attachment in addition to Form 8233.

I was a resident of Egypt on the date of my arrival in the United States. I am not a U.S. citizen. I have not been lawfully accorded the privilege of residing permanently in the United States as an immigrant.

I am temporarily present in the United States for the primary purpose of studying at _____ [*insert the name of the university or other recognized educational institution at which you study*].

I will receive compensation for personal services performed in the United States. This compensation qualifies for exemption from withholding of federal income tax under the tax treaty between the United States and Egypt in an amount not in excess of \$3,000 for any tax year. I have not previously claimed an income tax exemption under that treaty for income received as a teacher, researcher, or student before the date of my arrival in the United States.

I will be present in the United States only for such period of time as may be reasonably or customarily required to effectuate the purpose of this visit.

I arrived in the United States on _____ [*insert the date of your last arrival in the United States before beginning study at the U.S. educational institution*]. The treaty exemption is available only for compensation paid during a period of five tax years beginning with the tax year that includes my arrival date, and for such additional period of time as is necessary to complete, as a full-time student, educational requirements as a candidate for a postgraduate or professional degree from a recognized educational institution.
