

Form 8233 Attachment
Nonresident Alien Employees
Germany

Note: If you are a nonresident alien employee from the country listed above, and would like to claim treaty benefits, please complete this attachment in addition to Form 8233.

I am a resident of the Federal Republic of Germany. I am not a United States citizen. I have not been lawfully accorded the privilege of residing permanently in the United States as an immigrant.

I am a professor or teacher visiting the United States for the purpose of advance study, teaching or research at _____ [*insert the name of the accredited university, college, school, or other educational institution, or a public research institution or other institution engaged in research for the public benefit*]. I will receive compensation for my teaching, research, or study activities.

The compensation received during the entire tax year (or during the period from _____ to _____) for these activities qualifies for exemption from withholding of federal tax under the tax treaty between the United States and the Federal Republic of Germany. I have not previously claimed an income tax exemption under that treaty for income received as a student, apprentice, or trainee during the immediately preceding period. (If, however, following the period in which the alien claimed benefits as a student, apprentice, or trainee, that person returned to the Federal Republic of Germany and resumed residence and physical presence before returning to the United States as a teacher or researcher, that person may claim the benefits of this treaty.)

Any research I perform will be undertaken in the public interest and not primarily for the private benefit of a specific person or persons.

I arrived in the United States on _____ [*insert the date of your last arrival into the United States before beginning the services for which the exemption is claimed*]. The treaty exemption is available only for compensation paid during a period of two years beginning on that date.
