

Form 8233 Attachment
Nonresident Alien Employees
India

Note: If you are a nonresident alien employee from the country listed above, and would like to claim treaty benefits, please complete this attachment in addition to Form 8233.

I was a resident of India on the date of my arrival in the United States. I am not a United States citizen. I have not been lawfully accorded the privilege of residing permanently in the United States as an immigrant.

I am visiting the United States for the purpose of teaching or conducting research at _____ [*insert the name of the university, college, or other recognized educational institution*]. I will receive compensation for my teaching or study activities.

The teaching or research compensation received during the entire tax year (or during the period from _____ to _____) for these activities qualifies for exemption from withholding of federal tax under the tax treaty between the United States and India.

Any research I perform will be undertaken in the public interest and not primarily for the private benefit of a specific person or persons.

I arrived in the United States on _____ [*insert the date of your last arrival in the United States before beginning the services for which exemption is claimed*]. The treaty exemption is available only for compensation received during a period of two years beginning on that date.

I understand that the treaty with India contains a retroactive taxation feature which revokes the two-year exemption from taxation if the teacher/researcher remains in the USA longer than two years.
