

Form 8233 Attachment
Nonresident Alien Employees
Israel

Note: If you are a nonresident alien employee from the country listed above, and would like to claim treaty benefits, please complete this attachment in addition to Form 8233.

I was a resident of Israel on the date of my arrival in the United States. I am not a U.S. citizen. I have not been lawfully accorded the privilege of residing permanently in the United States as an immigrant.

I have accepted an invitation by _____ [*insert the name of the university, college, school, or other similar educational institution*] to come to the United States solely for the purpose of teaching or engaging in research at that educational institution. I will receive compensation for my teaching or research activities.

The teaching or research compensation received during the entire tax year (or during the period from _____ to _____) qualifies for exemption from withholding of federal tax under the tax treaty between the United States and Israel. I have not previously claimed an income tax exemption under that treaty for income received as a teacher or researcher before the date specified in the next paragraph.

I arrived in the United States on _____ [*insert the date of your arrival into the United States before beginning the teaching or research services for which the exemption is claimed*]. The treaty exemption is available only for compensation paid during a period of two years beginning on that date.

Any research I perform will be undertaken in the public interest and not primarily for the private benefit of a specific person or persons.
