Nonresident Alien Employees
Pakistan

Note: If you are a nonresident alien employee from one of the countries listed above, and would like to claim treaty benefits, please complete this attachment in addition to Form 8233.

I was a resident of Pakistan on the date of my arrival in the United States. I am not a U.S. citizen. I have not been lawfully accorded the privilege of residing permanently in the United States as an immigrant.

I am a professor or teacher visiting the United States for the purpose of teaching at _____ [*insert the name of the educational institution at which you teach*], which is a recognized educational institution. I will receive compensation for my teaching activities.

The teaching compensation received during the entire tax year (or during the period from _____ to _____) qualifies for exemption from withholding of federal tax under the tax treaty between the United States and Pakistan. I have not previously claimed an income tax exemption under this treaty for income received as a teacher or student before the date of my arrival in the United States.

I arrived in the United States on _____ [*insert the date of your last arrival into the United States before beginning the teaching services for which exemption is claimed*]. The treaty exemption is available only for compensation paid during a period of two years beginning on that date.
